Mother's Day is a special day on which children give gifts and presents to their mothers as a sign of their love for them. The mothers were showered with gifts as a token of appreciation. The grannies and mothers had priceless smiles on their face after getting the gifts.

"Thank you so much to each and every individual who made this celebration successful without your love, support, donations, and dedication this event wouldn't be successful," added Mlotswa.

One of the grannies said, "I can't explain how happy I am and I enjoyed all the activities that was prepared for us."
